What we do

Holdsworth Community Centre & Services is at the heart of the community of Woollahra in Sydney's eastern suburbs. From the centre and other locations in the area we provide a range of recreational, respite and support programs and activities which promote the well-being of residents of our municipality and people in surrounding areas, especially those disadvantaged by age, disability, income or social isolation, families with young children and for those who are carers for others.

We provide services directly as well as being an important source of information, referral and advocacy.

You can help us

Contributing to the development of a healthy, vibrant and supportive community through positive participation is a rewarding experience and one that gives something to both the individual and the community.

Our work depends on and is enriched by people who wish to support their community by volunteering their time, experience and commitment. Your financial support also makes a big difference and donations are tax deductible.

We also welcome assistance from people who can volunteer their time or skills or can make contributions by way of goods and services that are of benefit to the Centre and our community.

Members

Holdsworth is a not-for-profit organisation made up of two incorporated associations running conjointly. All members of Holdsworth Street Community Centre Woollahra Inc (a public benevolent institution which can receive tax-deductible donations) are deemed to be members of Holdsworth Family Services Inc. 25% of your membership fee is paid by us to Holdsworth Family Services Inc. The Management Committees of both associations are made up of the same elected members, but with different chairpersons.

Membership is available to everyone in our community, but is not a requirement in order to access services. As a member you will be kept informed about what is happening at Holdsworth; take ownership of what happens in your community; contribute to and show your appreciation for the work of the Centre; help us to provide extra support to you and your families, friends and neighbours; and, have a say in developing our vision for the future.
