

## About Woollahra Link

During the initial stages of *Woollahra Link* we need to demonstrate that there is a demand for this service and to identify the most useful pickup and drop-off points. **For this reason clients must book the bus before 3 pm on the previous business day by calling 9302 3605.** We will call you back by 5 pm to advise when and where we will pick you up. Over time we will then develop a regular bus route that meets the greatest demand.

We will pick up and drop off almost anywhere in the Woollahra Municipality, within the time frames indicated on the timetable. This may not be the fastest service, but it will certainly be the most personalised!

This free service can be accessed by all, but priority will be given to people who are frail, aged or have difficulty accessing other forms of transport.

The *Woollahra Link* Community Bus Service is operated by Holdsworth Community Centre & Services and is jointly funded by NSW Ministry of Transport through the Home & Community Care (HACC) Program and Woollahra Municipal Council.

**All trips must be booked in advance
